MEMORANDUM FOR THE RECORD

Morning Meeting of 14 September 1967

X1 A-DD/I briefed the Director on the results of the weekly Task Force [] report. The conclusions were negative.

A-DD/I called the Director's attention to a memorandum on the consequences of the Arab summit meeting. Copies will be included in the Director's SIG package.

A-DD/I reported on a conversation with Secretary Nitze concerning Walt Rostow's request for a paper on population control in South Vietnam.

Godfrey briefed on the Sino-Indian border situation. He said there had been two ugly anti-Belgian incidents in the Congo which might well increase the rate of the Belgian exodus.

25X1 [] for Carver discussed the political scene in South Vietnam, noting that, while the degree of stability is temporarily greater, the situation continues to be fragile.

Warner said that he has the transcript of the debate on S. 1035. (See Action 1) The Director confirmed his appearance before the Mahon Committee next Tuesday.

25X1 Bross reported that General Carroll has agreed to look into the Defense attache situation in []

DD/S&T reported that today's CORONA shot would be postponed at least 24 hours.

25X1 DD/S&T said that Soviet space-related activities suggest either a new manned event or an unmanned circumlunar flight within the next fortnight. The Director noted there had been a good item on this [] [] , and asked Godfrey to keep our readers up to date on this matter.
